To whom it may concern,

As a member of the Town of Kiawah Island Arts Council, it was my job to find unique and gifted musicians who would entertain two hundred and fifty residents of Kiawah Island. Since we had previously featured world renowned classical musicians, it was time to change our genre to modern American Music. Melonbelly performed in Kiawah on March 10th, 2011 @ Turtlepoint Club to an adoring crowd that loved them. Their performance featured intricate guitar playing, vocal harmony, harmonica and percussion. Their music included songs from Motown, oldies, beach, country, bluegrass blues, and classic rock to modern day hits. I received multiple accolades for bringing this group to Kiawah and we look forward to having them return here again.

I consider Melonbelly to be terrific performers as the guests were singing and dancing to many of these songs. Clifton and Burke had an excellent rapport with the audience and graciously accepted requests from the crowd.

I would gladly recommend Melonbelly Acoustic Guitar Duo consisting of Clifton Castelloe and Burke Long for anyone looking for a wonderful evening with talented musicians.

Sincerely,

Linda Morganstein
